TABLEWARE

# Vetro colorato

## Glassware

Dal duplice bagaglio di esperienza maturata da Federico de Majo nel corso degli anni di appassionato lavoro nel mondo del vetro, nascono le collezioni di bicchieri e oggetti per la tavola in vetro colorato firmati Zafferano.

Ispirati alle forme semplici e alle tonalità della più antica tradizione del vetro soffiato e lavorato a mano, pur con interpretazioni innovative, i prodotti Zafferano sono il complemento ideale per decorare la tavola con elementi di pregio e di suggestivo impatto estetico.

The blend of passion and experience accumulated over the years by Federico de Majo has given rise to the Zafferano series of tumblers and tableware in coloured glass. Inspired by the simple shapes and colours of the ancient tradition of hand-worked, hand-blown glass, and yet manifesting innovative interpretations, the Zafferano products go to make an ideal complement for adorning the table with objects of value and charming aesthetic impact.

La qualità della lavorazione artigianale, accompagnata al design italiano, dà valore a queste collezioni; pertanto, piccole eventuali difformità sono da ritenersi autentico pregio, testimoni delle caratteristiche di eccellenza artigianale. Ogni singolo pezzo è firmato, a garanzia dell'originalità del prodotto, curato nel dettaglio.

It is precisely the quality of the craftsmanship, accompanied by the Italian design, that makes these collections so distinguishable on the international market. As such, any small flaws should be considered an element of authentic added value that bears witness to the characteristics of the excellent craftsmanship here. Each single piece is marked, thus guaranteeing the originality of the product, without the utmost care of any detail.
